FEBRUARY NEWSLETTER 2022

Church,

I am truly excited for all that is taking place in our church right now. Just over the past couple of weeks, our Wednesday night programming has expanded to include the elementary aged kids, our adult's covenant group has reconvened and is going strong, our youth have taken first steps into small group discipleship studies on Wednesdays as well as Bible study on Sunday mornings, our new bus is looking sharp and making the rounds. Please check the included calendar for information regarding these events. If you are interested in being part and would like to know more, please contact me at the email address below. In the weeks to come, look for the launch of our youth Confirmation class and Church-wide Lenten Bible study!

Of course, none of these offerings would be possible without the church coming together and giving time and resources to ministry. So, whether it is to make music or meals, whether it is mentoring our youth or meeting in a committee, whether it is painting or printing, plumbing or power-pointing, thank you for your gracious dedication of time and talent to First United Methodist Church of Many. Thank you, thank you, thank you! We could not do what we do without your presence. It has been a joy serving alongside you these past several months and I look forward to what's next.

Our story is still unfolding!

EASTER EGG HUNT

We will be having an Easter Egg Hunt this year. It has been two years since we have been able to have one and I have missed it. I'm not sure of the date yet. It will either be Good Friday or the Saturday before Easter. I will let you know when that is decided.

We will be needing wrapped candy to fill eggs. Also, we will need snacks (cookies, cupcakes, chips, etc.). I will need someone to tell the kids the Easter story and others to man the games. Please let your families know and tell them to bring big baskets. Candy can be put in the middle office.

Thanks, Vicki Weaver and the Education Committee.

PRESCHOOL

Brother Brian has begun visiting Sunshine Kids on Thursday mornings and is telling Bible stories to children. January was full of fun learning letter sounds and playing new games.
